Daniel Black

ALMA MATER George Washington University Law School

WHY HE MATTERS Black has carved out a niche helping traditional media clients make a push into digital, representing companies like the BBC, which is prepping the launch of an O.T.T. streaming service. He also is helping online poker company PokerStars transform into a developer of original content. Other clients: Pokemon, Revlon and soon-to-launch app Topstars.

I COLLECT ... "Biographies of historical figures. I find bios inspirational."
